

Eye Physicians & Surgeons of Chicago, S.C.

Patient Portal Instructions

1. Go to: <https://eyechicago.ema.md> and click on 'Patient Login'.
2. Your username is your medical record number. The password is **Password1**. Upon logging in for the first time, you will be asked to choose a new password.
3. On the top part of the screen, click on: 'My Health.' On the left-side of the screen you will see several categories. Click on these categories and you may begin entering your information. Click 'Save' at the bottom of the page before moving on to the next category.
4. Remember to 'Logout' when you are done entering your information. The 'Logout' button is on the top-right hand corner of the screen.
5. If you have any difficulties with entering the information, simply write them down on the included questionnaire and the information will be entered into your patient file at the time of your visit.
